and there's over a million of them... members who belong to the Benevolent and Protective Order of Elks, and thirty-four year old George W. Berns has the honor of being elected the Exalted Ruler of Freeport Lodge No. 1253. Freeport Elks number over 1500 members.

GEORGE W. BERNs

The creed of Elksdom is "Charity, Justice, Brotherly Love, and Fidelity." George Berns is a symbol of this philosophy. His understanding, personality, and million-dollar personality mark him as a true Elks, and his friends have become legion. George is a life-long resident of Long Island. He attended the public schools in Roosevelt and was graduated from Hempstead High School. He has been a member of the Elks for fourteen years; held all the offices of the Lodge; and is the first veteran of World War II to become Exalted Ruler. He served with the Army for three years.

Young George Berns has found the formula of success both in business and in life. He is vice-president of the Kiwanis Club of Roosevelt. With his brother Harry as partner, they head the enterprising sanitary contracting concern known as "H. Berns Brothers." They also own the Pastime Dock on Woodcleft ave. in Freeport. This is one of the most improved business sections of the waterfront.

George married the former Margaret Doktor of Rockville Centre. They have three children, a daughter Linda and two sons, Henry and George Jr. The Berns reside at 387 Washington ave., on the eastern boundary of Roosevelt in a cozy, modest, picturesque home.

Like other fine organizations, the Freeport Lodge of Elks endeavors to always serve as a beacon to its fellow members. The warm and friendly greeting of "Hello Bill" which signals a brother Elks, opens the door to those who are lonely and to those in need of brotherly love. The Elks are noted for their great work in aiding worthy charitable causes. The Freeport Lodge conducts an annual major event, the Charity Bazaar, and the proceeds derived help their many projects such as children's Christmas parties and baskets, aid to needy families and contributions to many organizations.

One has to be with George Berns and a group of Elks but for a few minutes to realize the full value of the society and the man who is their Exalted Ruler. It has been said that wealth, position and politics are left at the entrance of the Elks' Lodge. No truer statement was ever made. Here one can see doctors, judges, lawyers, lawmakers, and tycoons of the business world in true fraternal spirit with men who work as their clerks and laborers. "There's over a million of them."

Parent-Teachers And Civic Groups Back New School

Community Unit Joins With Board In Promoting Project

Several civic and other groups have endorsed the proposal of the Board of Education to erect a \$1,300,000 school on the Bayview ave. site owned by the board to relieve the congestion in the Archer st. school since President Leo P. Giblyn and others started several weeks ago to familiarize the people of the school district with conditions in the southern half of the community.

Mr. Giblyn and his associates have advised their audiences that enrollment in the Archer st. school is such that 15 of the school's 18 regular classrooms will be required for the accommodation of the first three grades next September.

Thus far the Kiwanis Club, the Northwest and Southwest Civic Associations, the Columbus ave. and the Archer st. school Parent-Teacher Associations have endorsed the project. Others are expected to join in the matter soon. A proposition to float a bond issue to finance the construction of the school is to be submitted to the qualified voters of the district on Thursday, June 15. Co-operating with the Board of Education in promoting the project is a Citizens Committee. Wilbert E. Watson, president of the Atlantic-South Civic Association and William Alyn, president of the Southwest Civics are co-chairmen of the group. Assistant chairmen are Mrs. Harry Feldstein, president of the Central P.T.A. Council; Mrs. Ar-

Luncheon to Conclude Athena Club Season

The Athena Club will conclude its 1949-50 season with its annual Spring luncheon in the South Shore Yacht Club Monday at 1 P.M. Entertainment will be provided by Mrs. Caswell Spence, dramatic coach of the club, who will give several monologues, and Mrs. Marjorie Chandler in a twirling demonstration.

The Drama Department scored one of the greatest successes of its career in the presentation of "The Women," by Claire Booth, in the auditorium of the Seaman ave. school Monday night. Members of a cast of 37, enacted the three-act play divided into 12 scenes, with scarcely a hitch, it was such a finished performance, everyone handling their role with ability. The most was made of the dramatic and comedy situations with almost professional ability that reflected on the excellent coaching done by Mr. Spence.

Mrs. Roy R. Gockley, the president, greeted the members and their friends who filled the auditorium to capacity. Mrs. Charles A. Lutz is the department chairman, and Mrs. Joseph Gilpin co-chairman.

Grove St. Parking Field

Mayor Robert L. Dossie announced today the parking field at the Southwest corner of South Grove and Pine streets would be discontinued as of June 1.

The field has been rented by the village for several years, but recently the owners decided to develop the property by erecting six stores. Three of them are to be built first on the vacant portion of the site, and later the building at the corner is to be raised to permit the erection of the other three.

Need of Light Manufacturing In Freeport Is Discussed At Chamber of Commerce Event

Meade C. Dobson and William J. Martin, Sr., Suggest Plans; Goldblatt Submits Report

Ways for bringing light industry into Freeport to take the tax load off the owners of residential property were discussed by various speakers at an open meeting of the Freeport Chamber of Commerce Monday night in Guy Lombardo's East Point House. David Levy, officiated as master of ceremonies. He introduced Joseph Goldblatt, the president, who reported on his first six months in office; Meade C. Dobson, executive director of the Long Island Association, and William J. Martin, Sr., a member of the Freeport Planning Commission, who spoke on zoning.

Mr. Levy said the officers were trying to bring the Chamber of Commerce to the forefront as things can be accomplished only with a strong chamber. He expressed the belief that "we are on the eve of doing great things for Freeport."

President Goldblatt reported in his talk said among other things:

"I have been president of the Freeport Chamber of Commerce for six months. It is my pleasure at this time to outline to you the accomplishments of the Chamber during my stewardship, all of which is now a matter of record."

"1. We supported the change of zoning to permit the erection of an apartment house in Freeport on Smith st."

"2. We supported the real estate division all requests regarding rental and buying of homes, factory sites and available space for manufacturing and industry of which there are many inquiries."

"3. We have put the Chamber of Commerce in a solvent position."

"4. We erected 'Welcome' signs at the various gateways into Freeport."

Board Sets New Hours At Merchants' Request; Without A Trial Period

The Village Board has acquiesced to the appeals of the members of the Freeport Chamber of Commerce and the Freeport Merchants Association and amended the Parking Ordinance to provide for the operation of parking meters from 9 A.M. to 6 P.M., beginning Thursday, June 1 instead of 9 A.M. to 8 P.M., as previously proposed.

This action was taken at a special meeting held last Thursday night. Martin L. Weyrauch, counsel to the Board, advised the Village Board that they had no authority to make the change for a trial period of six months. So no limit was placed on the time. Further, the Board decided against making any exception to the general rule on Thursday and Friday nights when the stores are open until 9 o'clock. However, the trustees are playing safe to be prepared, if after giving the new hours a trial, the merchants and chamber desire another change.

The time placed on the meters is not to be replaced by others permanently. Instead, the 4 P.M. closing, but the 9 P.M. is to be covered over for the time being. When the merchants and chamber applied for the change of closing time from 8 to 9 P.M., several months ago, the Village Board after a hearing at which representatives of two civic organizations disapproved the plan, voted to set the closing time at 8 P.M. However, the groups advocating the 6 o'clock hour renewed their drive and finally induced the Village Board to yield. It was suggested that exception might be made on Thursday and Friday nights when the stores are open, but the Board decided against this fearing confusion might result.

V.F.W. Heads Expect Crowd at Ball Saturday

With George Tomko as chairman, members of Henry Theodore Mohr Post, V.F.W., are working with might and main to get out a large crowd for the 26th annual dance to be held in the Elks clubhouse on Saturday night.

These dances were held yearly prior to several years ago when a campaign was started to erect a Memorial building as a clubhouse. However, when the officials had an opportunity to acquire a building on Atlantic ave., at a reasonable figure, they decided to do so and abandon efforts to provide a more pretentious structure.

As a result the load of raising a large building fund has been taken off their shoulders and the post has resumed its normal activities. With the co-operation of the Ladies Auxiliary, of which Mrs. Georgia Dater is president, Commander Edward Johanneman and his associates are counting on welcoming a large throng at Saturday night's event.

The Editor's Notebook

One thing I have learned in this my first week as a newspaper publisher is that you don't argue with a "deadline"—you may argue with an associate editor or a business manager and even your wife, but not with a "deadline."—a "deadline" just creeps up on you, and you better be ready. Now, everything went very smoothly last week—the news came in, and the ads came in, and THE LEADER went out on time—but... it was an exciting finish—I can easily see why so many newspaper men have exulted—or why they smoke a pipe—or chew tobacco—and some I am told, even take to drink—(we have one member of our staff who even bites his finger nails)—but so long as the paper gets out on time, let the boys have fun.

We had a lot of interesting visitors to our office this week. As you know, we are now located at 20 S. Main St. up over the Jamaica Tire Store—One of the first to visit us was "Bill" Ashby, popular coach of Freeport High. "Bill" has recently introduced Lacrosse at the school and already his team is making a great name for itself. They took over the town of Freeport Military Academy in an out-of-town game last week, coming from behind to do so, which is the true mark of a champion. One of the things we want to do with THE LEADER is to establish a Sports Page, and "Bill" has agreed to help us in this, as has our good friend Overton Tremper. Soon we will be printing lots more sports than we have been doing.

Another interesting visitor was Mr. Synes, an Executive with Food-Fair. He is the man who is largely responsible for having brought the Food-Fair to our community. Of the more than 100 Food-Fair Stores throughout the east, he advised us that already the Food-Fair Store in Freeport is in the top six in point of sales—Proof again that there is nothing wrong with the sales potential of our community.

John Miller, of the Freeport Bank, looking tan and healthy after a two week Florida vacation came in to say "hello" and to leave a check. Didn't make us mad a bit—Mrs. Mildred Lyons who heads up the "Welcome Wagon" in our community was another interesting visitor. Her job is to welcome to our community all new residents and to tell them about our village—I hope she don't forget to tell them about THE LEADER—"Sarge" Nixon in twice, each time wearing

a new suit—business is really good—

A very pleasant and profitable job was spent with Judge Hubert Johnson this week. The judge has very attractive new offices up on North Main St. and among other things greatly admired are splendid pictures of Benjamin Franklin, and former President Theodore Roosevelt, two of the greatest men who ever served our country (Man—how we could use a few men like Ben Franklin and Teddy Roosevelt in our world today)—Judge Johnson probably has the most complete record of Historic Freeport in existence and one of these days, I hope we can induce him to take time out from a busy schedule to compile this history so we might publish a series of articles in THE LEADER on Historic Freeport.

It was a very great privilege to present to Cheryl Ricker and Robert Archer the Rotary Club's Frank Demarest award at the Jr. High School this week—two very wonderful youngsters—and to address a large group at the High School sponsored by the Homecoming Dept., and also to address the P.M. group of the Methodist Church. Both very fine groups.

The LEADER staff attended in full force the Chamber of Commerce meeting at Guy Lombardo's—Joe "Forest Jewellers" Goldblatt gave an excellent report on their work over the very, very impressive—William Martin Sr. gave an excellent talk, and Sam Israel was at his best in conducting an open forum—Mr. Meade Dobson, of the Long Island Railroad, made suggestions on how to prepare for the future expansion which is on its way—The next time you see our good friend Dave Levy, get him to tell you the story of Gaston and Pierre—Had the pleasure of meeting Don Weller of the banking family, John Whitmore of the L.I. Ass'n., Sam Golden, Herman Bunsen—and many, many more, and all of them very much interested in our community—The Village board well represented in the attendance of Cord Viebrock, Bill Glacken, and acting Mayor Leonard Smith—The evening was profitable in more ways than one—before leaving both gave me cash on the line for subscriptions to THE LEADER (Can it be they learned the price is going to \$2.00 per year June 1st and in to say "hello" and to leave the check—Didn't make us mad a bit—Mrs. Mildred Lyons who heads up the "Welcome Wagon" in our community was another interesting visitor. Her job is to welcome to our community all new residents and to tell them about our village—I hope she don't forget to tell them about THE LEADER—"Sarge" Nixon in twice, each time wearing

Doxsee Compares Nation's Spending To Individual Emulating Policy

Speaking at a meeting of the Atlantic South Civic Association Thursday night in the South Shore Yacht Club, Mayor Robert L. Doxsee compared the nation today to a man who drew all his money out of the bank, sold all his real estate and securities and then went down town and blew it all his resources in one fell swoop. He showed, how by an act of this kind, one might create a very brief period of prosperity in the area, but be out of luck as far as he was concerned immediately thereafter. He pointed out that the country could not go on spending indefinitely without bringing about a national situation such as that which faced the individual after he had spent his all.

The Mayor said the United States did a "lousy" job in foreign relations after World War I, and failed to profit by its previous experience after World War II. "Our kids responsibility is the greatest thing we have," he said, "and we have either got to make our way or we will have to turn everything over to the Government and then we will be in a terrible state." He recalled that America at its outset "had a system where every man was king," and added "and I hope we are going to keep it, but the Lord only knows whether we can or not."

He said the situation today was like men trying to milk an cow, with everyone trying to get something from the Government, and the result that "we are mortgaging

for slum clearance and paved the way for an active village housing project.

"I supported proposed zoning law changes designed to encourage a greater flow of industry to Freeport."

"Many more improvements for the betterment of Freeport are under way and the various Chamber committees are constantly on the job seeking ways and means to aid the community and its residents."

The Chamber of Commerce membership is constantly growing for which we are grateful, but we need a working membership, members who will take an active part in each and every one of you and nothing less than 100 percent operation from our entire membership can make our functions 100 percent beneficial, and in that way only can we perform something worthy and constructive."

Dobson Traces Growth

Mr. Dobson traced the history of Freeport from 1910 when it had a population of 4,838 to the present with its estimated 25,500 or more residents. He told of how the L.I. Railroad in its early days devoted its attention to the development of highways, parkways, ports and waterways. About 1939, he added, the office became aware of a changing situation and he took the industrial dinner conference held on April 15, 1941, which failed of its purpose, and said it was not until 1942 that a second attempt was made to educate the people to the possibilities of bringing about the industrial development of Nassau and Suffolk Counties.

"Industrial employment in Long Island's four counties is basic to their prosperity," Mr. Dobson continued. "From industrial activity springs all commercial enterprise—wholesaling, distribution, retailing and professional services and an immense volume of buying income." "Long Island is a great economic unit and you cannot break employment or volume of business down into mere political units. There is a vast exchange of employment, commerce and trade not only between each of the four Long Island Counties, but also between these four Counties and Manhattan. Another evidence of this is the fact that up to 1939 the large volume of commuters by rail, bus and private automobile moved from east to west and since there has been a growing volume of commuter traffic on all lines of transportation from west to east."

"More light industry in Nassau and Suffolk Counties will:

- "1. Provide local employment, reducing the number of people obliged to commute long distances to work."
- "2. Raise assessment rolls and enable local government to meet the demand for increased residential services."
- "3. Lead to a greater measure of local prosperity because of larger payrolls in the communities."
- "4. Strike a better balance in utility services between industrial and residential users."
- "5. Provide greater freight revenues for the Long Island Railroad which are needed."
- "6. Prevent a recurrence of the abnormal welfare expenses borne by

By NORMAN APPLETON

I had just completed laying out the paint display and set the garden hose in neat rows when the tiny portable in the rear of the store blared forth with "Enjoy yourself—jeweler—all smiles—and licking to enjoy yourself—later than you think—"

"That does it boys," called out, "I'm going home—this is one night when I'm going to be home in time for dinner."

As always, the door opened and in walked my friend, the tell one.

"Norman, this one you've got to hear." Then catching his breath, the jeweler went on "Just a little while ago a nice young couple came into the store to buy a wrist watch."

I settled back with a cigarette, listening both to the jeweler and the accompaniment of the radio, still playing, "Enjoy yourself, enjoy yourself—it's later than you think—"

The jeweler went on, "I showed them the watch, and they wanted it. Well, the wife kept studying it, but the husband kept bouncing around and saying, 'Come on Jane—take it and let's go—'

All the young fellow got was dirty looks. Well, this went on for about five minutes and the young husband kept repeating, 'Come on—take it.' Finally, this fellow grabs the watch—puts it in his box—throws the money down on the counter and angrily says again—'Come on—let's go—'

His wife yells, 'Are you crazy—what's the matter with you?'

He just turns around and says, 'Me crazy? Not me—you and your brother-in-law—this is the same watch, isn't it? Here's the style number right here—your darling brother-in-law was going to get it for us wholesale on yeh—wholesale—at the same price we're paying right here.'

BAPTIST MEN TO DISTRIBUTE CARNATIONS AMONG MOTHERS
In observance of Mother's Day, the Men's Club of the First Baptist Church will distribute carnations to the mothers present at the service Sunday morning at 10:45 A.M. This is an annual activity of the club. The pastor, the Rev. Dr. Louis H. Leach, will preach on "Mother's Influence."

MISS DORIS LANG

Miss Lang, while a student in the Freeport High School, set up a correspondence with Miss Pasquel as a result of movement sponsored by the school authorities to enable pupils to improve their knowledge of foreign countries. The exchange of letters developed a warm friendship between the two, with the result that when the Mexican girl visited New York several years ago, she was a house guest of the Langs for about a month. Miss Lang subsequently returned the visit while in Mexico City.

The Freeport girl is to be maid of honor at Miss Pasquel's wedding on Saturday, June 6.

Mrs. Andrew Ashley Buried in Holy Rood

Former Actress' Son Is Brother-in-law Of Cyril C. Ryans

Mrs. Rose G. Ashley, Woodward ave., Wantagh, whose son is a brother-in-law of former Mayor and Mrs. Cyril C. Ryan, died suddenly in her home early last Saturday. A requiem mass was celebrated in the R.C. Church of William the Abbott, Seaford, on Monday and burial followed in Holy Rood Cemetery, Westbury, under the direction of Thomas A. Quinn & Son.

Mrs. Ashley was born in Washington, D.C., one block from the White House on July 4, 1880. Her father Antonio Bragazzi, conducted the American House across the street from Ford Theatre in which Abraham Lincoln was shot by John Wilkes Booth. The wounded President was carried from the theatre to the hotel to receive medical treatment. She lived in Wantagh for 30 years.

When she was 17 years old, she

then Miss Bragazzi, started a stage career that continued until her retirement ten years ago. She was primarily a character actress. She began her career with the Castle Square Stock Co., of Boston, married Lindsay Morison owner of the company, and appeared on the stage as Rose Morison. He died 30 years ago. Mrs. Ashley's last appearance was with Lionel Barrymore in "Laugh, Clown Laugh." She was in the same plays with Phyllis Nelson Terry in Bellagoo's productions for five years.

Mrs. Ashley is survived by her son, David L. Ashley, of Forest Hill, whose wife was Miss Mary Fox, sister of Mrs. Ryan, and who is associated with the Anaconda Copper Co., and her second husband, Andrew Ashley.

EDDIE VASIL, Advertising Manager**Are You REALLY Community Minded?**

So many people speak of their interest in doing something for a community—and then say they will wait until the right thing comes along—so they may help. That "something for Freeport" is here right now.

The Rev. R. G. Harris, pastor of the Second Baptist Church, an earnest worker for this community, is working hard and long to establish a youth center in Bennington Park. Nothing we know of could be of more value to Freeport than helping the boys and girls of this community.

To raise funds the group is presenting Lora Lewis, contralto, and the Halleujah Chorus at the Freeport High School, Pine and Church sts., next Thursday night, at 8 o'clock.

Mrs. Lewis, a nationally-known singer, is noted for her famous recitals. An outstanding one was given December 4, 1949, at Carnegie Hall. To hear her and the Halleujah Chorus, which I have heard, is a thrilling experience.

We are so impressed with Rev. Harris' work, which is so necessary to Freeport, that we have offered our new offices at 20 South Main st. as headquarters, and are helping him in the sale of tickets.

All Freeport should aid this cause, and I am personally asking you to call us at FReeport 8-7668, send in your check, or drop in and see us at the above address and purchase tickets. They are only \$1.00 each, and we not only want you to buy tickets but urge you to attend and show the Rev. Mr. Harris that you want to support this worthy undertaking. You will never regret the evening spent listening to these distinguished Negro singers.

The LEADER has given a check for \$100.00 to the Rev. Mr. Harris for this cause. Are there other organizations in Freeport that will match this?

'Mother, I Love You'

A pleasant faced woman boarded a bus with her two small sons the other day. The smaller boy sat with his mother on one side of the bus, while the other, who was about four years old, took a seat opposite. It interested him to look out of the window, but frequently he glanced across at his mother. At length he called softly, "Mother." No answer—Again he spoke, "Mother"—this time it was said a bit louder, and the mother looked over and smiled. The boy's eyes lighted and he whispered: "Mother, I love you." The mother turned a glorified face upon her small son, and men and women in the bus looked tenderly from one to the other. The bus which to now had been a place where all the riders had been absorbed in their own thoughts suddenly became a place of blessing because a little boy had voiced this ever beautiful sentiment:

"Mother, I love you."

To all the Mothers of our community The LEADER wishes you a HAPPY MOTHER'S DAY.

Ray Clements

Letters to The Editor

Dear Ray:

Congratulations and best wishes on your new venture. I have been a reader of The LEADER for the four years that I have been a resident of the community. I know you will build well and an even greater structure on the foundation so well laid by George Goeller.

My observation is that The LEADER has always been factual dealing with vital issues in a clear informative manner. Your masthead "Truth and Fairness" appeals to me very much and I know you will put it into meaning into those great words.

I am quite disturbed by the lack of fairness in the present day tendency to put property values above human values. It recently came to my attention that Nassau County is about to spend \$2,000,000 on a new streamlined incinerator to take care of its garbage and \$300,000 for a new dog pound for stray cats and dogs. While village boards are still hesitating and delaying adequate, sanitary housing for families of men and women, boys and girls. Is it possible that the adequate disposal of our garbage and the taking care of stray cats and dogs is more important in dollars and cents than the human values involved in making good citizens.

I know you and we are not entirely responsible for Nassau County but we do have some very serious human problems here in Freeport and I rejoice that you who will have something to say about them through The LEADER propose to do so with "truth and fairness." Good luck, best wishes and all the courage in the world to tackle a big job. Very sincerely yours,
C. Newman Hogle.

Dear Ray,

One thing about The LEADER I want you to know is the fact that I never see anything in it that every member of the family cannot read without blushing. We see so much "truth" in so many of our publications these days, that it is a real pleasure to receive such a well written paper as The LEADER. Keep it up, best of luck to you.
Johnny Powers.

Dear Mr. Clements,

Editor of The LEADER

Dear Sir:

What can we do about cleaning up vacant lots in our village? Many of these lots are "dumping grounds" and they sure look terrible. We do have a very attractive village in most respects, but some of these vacant lots spoil the appearance. There must be some way to correct this.

Yours truly,
Mrs. Eloise Carmine

Dear Mr. Clements,

Like your editorial "Truth and Fairness." If you will print the news in truth and fairness, and if you will give space to all sides, then you will earn for The LEADER the name of NEWSPAPER. Good luck to you.
George Putnam.

Dear Mr. Clements:

May I extend to you our best wishes for success in your career as editor and publisher of the Freeport Leader. Your paper has attained a respected position under our mutual friend, George Goeller, and I'm sure it will continue to maintain this reputation under your leadership. Your first issue is indicative of a prosperous future, guided by truth and fairness.
Sincerely,
Arthur E. Patterson, Jr.
Director, Public Affairs

Dear Ray:

My congratulations and best wishes to Wally and you.
Sincerely,
Majel Raynor

New Mode Hats Shown For Pythian Sisters

Those lovely creations modeled by members of Unity Temple, Pythian Sisters, at its recent style show in Pythian Hall, were displayed by the New Mode Millinery, instead of the hat shop indicated in The Leader last week. The mistake was unfortunate. (The event was a feature of the visit of Mrs. Lena Hatpeck, district deputy, to the temple. A social night is planned for next Monday night in Pythian Hall.

Mrs. Estelle Blum was chairman for the display. A rummage sale will be held in a vacant store at 37 South Grove st., next Tuesday, Wednesday and Thursday. Mrs. Adele Goldstein is Most Excellent Officer.

WOMAN'S SECTION . . . Congratulations! The 1950 Freeport Cancer Drive not only reached their quota but went way over the top. Women play the major part in these worthy causes. They sacrifice many hours, ring doorbells, telephone and sincerely worry to make the project a success. This goes for each and every one from the section workers and captains right up to the committee heads. Two-women in the 1950 Cancer drive are truly symbols of this great spirit and although they worked faithfully and not desiring personal glory, it is but proper to offer public appreciation to MRS. BENJAMIN J. REINER and MRS. HAROLD-BATTIN for their excellent leadership.

BIDDIE FORTNALS . . . Mother's Day, May 14th. "Ah, Mother there'll never be another like her." How many times the biggest, the busiest, and the toughest men have echoed this statement in their hearts. And yet there are many people in this fast-living world today who have forgotten their mother. It doesn't take much to please them; they ask for little—a visit, a letter, a phone call, a kind word. Mother always gave and gave; always present in time of need with comfort and advice; probably spoilt many of us that we take her for granted. Let's remember Mother every minute of our lives but especially on the day dedicated to her. Let's do it now—some day it might be too late. Best wishes from this writer to all mothers. May God Bless You.

DURYEA ORCHID CREATION . . . Ed's note: It is the custom of this column and Mr. Lyman Duryea to award an orchid corsage each week to a woman of this community for her outstanding work, personal achievement or as a token for the accomplishments of her husband. However, this week we will alter this practice and instead, award this creation as a token of love and respect to the oldest mother present in the audience of the CENTURY GROVE THEATRE at nine o'clock on Sunday, May 14th. Mother's Day.

\$70 Billion Federal Budget By '60 Forecast By Chamber of Commerce

Continued pressures on the Federal Government to increase expenditures could result in a Federal tax burden of \$70 billion or more annually within the next 10 years unless the public puts a brake on them, according to the Council of State Chambers of Commerce. Here are some of the facts assembled by the Council's research team which lead to that conclusion: Scores of new Federal spending measures are now being urged upon Congress. If passed, they could add as much as \$25 billion eventually to the nation's annual tax burden.

The President's 1951 Federal Budget Message calls for a total expenditure next year of more than \$45 billion, including \$3 billion for social security programs financed by payroll taxes. But that's just the beginning.

The proposed budget contains almost \$1 billion (\$950 million to be exact) to initiate 34 new Federal spending programs. Many of these would carry on indefinitely and grow much larger. It is estimated that they would eventually add \$4 billion a year to present Federal tax burdens.

Then there are the President's proposals for expanded Social Security benefits and for a National Health Insurance system, often referred to as "socialized medicine." Financed by payroll taxes, they would require an estimated outlay of \$15 billion annually when fully under way. And the cost would increase with the passing years.

Congressional approval is being urged for the Brannan farm subsidy plan. Proponents of this plan have offered no estimate of its probable cost. A conservative esti-

Adelphi Students' Art Is Shown at Library

A. J. Tobias, resident instructor, director of painting, Center of Creative Arts, Adelphi College, has arranged an exhibit of his students' work at the Freeport Memorial Library. The majority of the paintings shown are done in the medium of water color.

"Manhattan Rain" by Alice Benson is expertly done and brings back memories of all the freshness and depth of a rainy spring night in the city. The fine shading of the portrait "Young Girl" by Harriet Chaparrack proclaim her, too, as a young woman of definite promise.

Miss Jane Johnson, recently voted May Queen, proves her further accomplishments with three delightful scenes.

Through neutral tones in oil, Alice Winter makes one feel the subject of her "Philadelphia Fog." Alice Adams has shown resourcefulness as well as ability in "Oil on Paper." She has used oil on a common grocery bag with interesting results. The flat effect is both different and pleasing.

Mr. Tobias will be the instructor of painting at the Adelphi Center of Creative Arts' Summer Workshops to be conducted from July 5 through August 15.

Jane Conway, Majorette, To Head Hofstra Spring Day Procession

Jane Conway, a Freeport student and majorette of the Hofstra College marching band, will head the procession, a feature of the annual Spring Day at Hofstra, scheduled for Saturday, June 10.

The day is traditionally launched with a 25-foot float parade through Hempstead, ceremonial awards, the crowning of a co-ed queen, and ending with a formal dance.

Fraternities, sororities, and independent organizations on the campus will enter competitive floats in three fields, with prizes for the most beautiful, most humorous, and most original entries.

The parade will begin at noon, starting from the college grounds. The float of the Kate Mason society, independent women's organization, will bear the Queen and her attendants.

A reviewing stand set up in front of Hofstra Hall, facing Fulton ave., will be the terminal point of the procession. Judges will choose the prize-winners at this point. The crowning of the queen and presentation of ceremonial awards will follow the judging.

South Shore to Have Legitimate Theatre

The South Shore is to have a professional legitimate theatre. It is to be located in the former bank building, 253 Sunrise Highway, Rockville Centre. To be opened by the Stanley theatre and radio producer, the playhouse will be known as the Sunrise Theatre.

It will have a seating capacity of about 200. Mr. Stanley plans to produce one play each month, for which subscriptions are to be taken on an annual basis. The playbill will include seven revivals of Broadway hits, three new plays and adaptations of two European successes. The opening is set for Thursday night, June 15, with "Command Decision" tentatively set as the first production.

Book Review Group Plans Reception for Artists

At the Freeport Memorial Library Monday night the Freeport Book Review Club will hold its annual reception for exhibiting artists, past and present. S.S. POWER SQUADRON PLANS BOOSTER MEETING

A booster meeting will be held by the South Shore Power Squadron tonight in the South Shore Yacht Club. New members of the recent piloting class will be presented their certificates and welcomed into the squadron. Refreshments will be served.

Athletics Promote Sportsmanship As VFW Activity Feature

Football, Softball And Bowling Enjoyed In Various Seasons

By GEORGE TOMKO
Chairman Athletic Committee

Not only does the Veterans of Foreign Wars stand for loyalty to God and Country but also for sportsmanship and competitive spirit and we know that no man learns more about competitive spirit and sportsmanship than on the field of athletics. The V.F.W. sponsors athletic programs of all kinds, not only locally within the Post but nationally as well. Each year athletic tournaments of all sports are held with the best V.F.W. team of each state competing against other states to win that great honor of being national champion.

Here in our own county are athletic leagues of all kinds sponsored by the V.F.W. Nassau County Council. This Council is made up of Commanders and delegates from the various Posts throughout the County.

The V.F.W. County Council football league is one of the most popular in the Metropolitan area. This league is an open league, that is, teams do not necessarily have to be made up solely of V.F.W. members but anyone interested in playing football may compete. Last year the league was made up of six teams—Glen Cove, Hicksville, Mineola, Hempstead, Rockville Centre and Valley Stream with Glen Cove emerging victorious with an undefeated season. The highlight of last year's football season was a charity game for the benefit of our sick and wounded veterans of Northport Veterans Hospital. The game was a round-robin affair with the North Shore playing the South Shore.

Each team on the North Shore would play a team from the South Shore for one quarter and the score of each team's quarter carried on to the next to complete the game. The North Shore won the game 13-7. All proceeds of this game went to the Northport Hospital to help aid our boys toward a speedy recovery so that also some day could compete in the sport they love. Many of the boys from the Hospital were brought to the game by bus and afterward treated at Guy Lombardo's East Point House to dinner. The local merchants helped to make this affair a success by donating gifts which were awarded as door prizes.

Other sporting activities popular within the V.F.W. are bowling, softball, and basketball. The V.F.W. members only. There are six V.F.W. Posts represented by the bowling league and one night a week the Comrades meet to win and individual prize money and points which bring them nearer to winning trophies awarded to the best teams at the end of the season. A banquet is held as a final get-together to award trophies and to hear the boys say how they would have won if they hadn't had that split in the 9th frame.

The Comrades await eagerly the beginning of Spring and the familiar cry "Play Ball" which heralds in the baseball season. This league is very popular with the

Aims and Objects of the V. F. W.

The objects of the Veterans of Foreign Wars are Fraternal, Patriotic, Historical, and Educational, to preserve and strengthen comradeship among its members, to assist worthy comrades, to perpetuate the memory and history of our dead, and to assist their widows and orphans, to maintain true allegiance to the government of the United States of America and fidelity to its constitution and laws, to foster true patriotism, to maintain and extend the institution of American freedom, and to preserve and defend the U.S. from all her enemies whomsoever.

Henry Theo. Mohr Post V. F. W. Organized Twenty-Eight Years Ago

By DR. S. RAYMOND STRAUSS

Although the ball being held Saturday night is being called the twenty-sixth annual dance, it does not signify the twenty-sixth anniversary of the Henry Theodore Mohr Post of the Veterans of Foreign Wars. The Veterans Post is actually twenty-eight years old. The Silver Jubilee Ball was held on October 11, 1947 in the Freeport Elks Club.

Due mainly to the concentrated efforts of the Post to raise funds for the new Memorial Building it was the last annual affair the VFW Post sponsored before the present celebration.

However, during the interim, the Mohr Post has not remained entirely dormant. Each year has yielded its routine highlights including the Calathumpan parade, Memorial Day parade and exercises, Armistice Day observances, periodical jaunts to the veterans hospitals, card parties, and activity in Community affairs.

The Calathumpan Parade, an Art Smith Production, takes over the duties of Don Gaynor, is an event the youngsters of Freeport look forward to each year at Thanksgiving time. This is the day the youngsters dress in their fancy costumes and parade through Freeport usually led by a ragamuffin band. Prizes are awarded for the funniest and most original costumes. These prizes are made possible by the merchants of Freeport.

Armistice and Memorial Days The Henry Theodore Mohr Post indulges in its comedy, but then there come occasions each year when time is taken for prayer and silence—Armistice Day and Memorial Day. Past Commander Frank Dater representing the post at the Armistice Day exercises held at the Municipal Building last year pleaded for preparedness.

Decoration Day is when most of the Post members comb the mothballs out of their old uniforms stitch a broken seam here and there, hold that stomach in while the last button is done; tilt that cap at a proud angle, and parade behind the Flag of Our Country and that of the Veterans of Foreign Wars. This day is most significant to the veterans for it is on this day more so than on others that thoughts travel long years backward into the past, of World War I and World War II, and still further back to the Spanish conflict.

Old buddies are thought of, with a special note of sadness for the comrades who did not return. For the honored dead are the Memorial rites held at the Stadium, and for the living, a prayer and hope for peace with wishes that those who are being honored on Memorial Day, the honored dead, shall not have died in vain.

To remember the honored living, those who have given their health as well as years in the service of our Great Nation, the Post with its Auxiliary makes the rounds of the various veterans hospitals as assigned by the County Council. After the last visit to Northport one of the newer members of the Auxiliary who had made her first hospital visit remarked that she had no idea how those hospitalized veterans need us and how happy she was to have made the trip. "How soon can we go again?" she asked of her partner.

But not only for the dead, and

It's A State of Mind

If you think you are beaten, you are.
If you think you dare not, you don't.
If you think you're like to win, but you can't.
If you think you'll lose, you're lost.
For out in the world you'll find—
Success begins with a fellow's will.
It's all in the state of mind.
FULL many a race is lost
Before the start.
And many a coward fails
Ere even his work's begun.
Think big and your deeds will grow.
Think small and you'll fall behind.
Think that you can, and you will;
It's all in the state of mind.
If YOU think you are outclassed, you are.
You've got to think high to rise:
You've got to be sure of yourself before
You can ever win a prize.
Life's battle doesn't always go
To the stronger or faster man;
But sooner or later, the man who wins
Is the fellow who thinks he can.
—Eddie Vasil.

Mohr V.F.W. Post Organized Here January 15, 1922

Has Been Dominant Factor in Freeport's Community Affairs

By JOSEPH C. NOEBEL
Past Adjutant

Henry Theodore Mohr Post, V.F.W. was organized here on Jan. 15, 1922. The membership is composed exclusively of Over-Seas veterans who served in time of war in a campaign or expedition, either at sea or on foreign soil.

The Post selected its name in honor of Henry Theodore Mohr a resident of Freeport who was killed in action in France.

Under the leadership of its first commander, Archibald Walker, the post became a dominant power in Freeport, as a staunch supporter of worthwhile civic and community projects. It also took the lead in matters affecting the veterans and their families, the widow and orphans of veterans. After 28 years these aims and purposes are the live blood of our organization and today we still represent the highest type of service any group of men can render a nation, in which they live, and to humanity in general.

The members of our organization come from all walks of life, the rich, the poor, the humble and the proud. As individuals we cling to our own political beliefs and our own religion, but as members of the Veterans of Foreign Wars of the United States, these differences are ignored. Within these circles they find it possible to work together shoulder to shoulder, giving unselfish and undivided support to objectives that have their mutual endorsement, policies that are designed to insure and expand the scope of an order dedicated to patriotism, loyalty and comradeship.

Another objective toward which our organization is bending its united effort is safeguarding our government, our constitution, from the dangers of communism, fascism, socialism, and all other isms, which seek to destroy the basic foundation of our democracy. The Post consistently sponsors and supports legislation and educational movements designed to insure the future security of the American people, the American form of government, and the American standards of liberty and freedom.

Patriotism is a noble word, it encompasses in its definition more than lip service to our country and principles for which it stands. Patriotism—love of country—means love of everything that contributes to the nation's greatness. There would be no nation if the citizens had not been willing to suffer hardships and sacrifice, to assure its security. The nation can not endure unless its children are taught the lessons of democracy, of respect for the country's flag and institutions, self reliance, industry and honesty.

The Buddy Poppy sold by the Post and Auxiliary is a patriotic endeavor, because its sole purpose who have given their full share in is to provide assistance for those defense of the nation and its institutions. The bulk of the proceeds

Mohr V.F.W. Post

(Con. from Page 1, VFW Edition).

ceeds of the sale each year is used to carry on the welfare and service of the Post. The chief beneficiary of poppy sales is the Post Rehabilitation service, which is devoted exclusively to the task of giving a helping hand to the veterans dependents, and survivors of veterans who have died.

Benefits of Poppy Sales
Every Poppy sold means another penny to help me to the aid and expand the V.F.W. Orphans Home at Eastron Rapids, Mich. No where is the spirit of patriotism more eloquently exemplified than by the V.F.W. Home, for here the orphans of departed comrades are given an opportunity to grow up in a home like atmosphere that is rarely to be found in such institutions in the nation. When orphans leave the Home to enter college, or to jobs, or to marry and assume the responsibilities of family life they are as well prepared to be useful, self respecting citizens as though they had been reared by their own parents in their own typically American homes.

The Post under the leadership of Dominic Pellicio of the building Committee made plans to erect a memorial building on North Main st. Freeport, but due to the lack of funds, and with building costs so high, the members decided to purchase a building on 396 Atlantic ave., the present home of the Henry Theodore Mohr Post. In due time the Post plans to erect on the rear of the building a hall big enough to serve for social functions. The Post meets the second and fourth Wednesday nights of the month. All Veterans having foreign service are welcome at the meetings. The following officers who have been elected will carry on for the ensuing year:

Commander, Edward Johannemann; Senior Vice-commander, Dr. Ray Strauss; Junior Vice-commander, Edward Stubbbe; Quartermaster, Harry J. Moore; Chaplain, Gunner Enstad; Service Officer, Charles Chatelain; Officer of the Day, Fred Goessel; Post Advocate, Elmer Behrman; Post Surgeon, Dr. Benjamin Pink; Post Adjutant, Joseph C. Noebel; Trustee, Dominic Pellicio; Delegates to County Council, George Tomko, William Stutzenstein, Dominic Pellicio and Frank Bowman.

Athletics Promote

(Con. from Page 1, VFW Edition).

V.F.W. Post for it isn't a "fast" league or solely a battle of the pitchers. Last year our own Henry Theodore Mohr Post entered this league and fared out well by winning the second place trophy being beaten by Glen Cove who copped first place. The Post was represented by players, Jack Morrison, Don Gaynor, Ernst Anderson, Buddy Hartford, Gunner and Carl Enstad, Buddy Presson, Frank Bowman, Leon and Ed Funstall, Bill Springstun, Frank Ernest and Manager George Tomko.

This year another league is about to begin with ten teams competing and the Henry Theodore Mohr Post is going all out to win first place laurels. Most of last year's players will represent our league again this year together with a few newcomers.

A contract will shortly be awarded to Gibson and Cushman, Inc., Bay Shore, in the amount of \$48,929 for fill and grading for a new oceanfront parking field to be known as Parking Field 1. This new field when completed next year, under additional contracts, will accommodate approximately 1,700 cars.

New buildings will be opened in the Fulton ave. farmhouse, Hempstead. For added information call in person or telephone EE-2-10260.

New Entrance Planned To Mineola Fair Grounds

A spacious entrance-exit to the Mineola Fair grounds is to be established in Eleventh st. Garden City, in time for the 108th Fair Sept. 12 to 16, as a result of negotiations completed the past week between President J. Alfred Valentine and Nassau County officials.

The main road through the fair grounds will be extended through the eight-acre plot of Nassau County—properly south of the fair grounds for this improvement, expected to afford great traffic relief.

President Valentine at the same time ordered complete landscaping of the previously unused portion of the sixty-five acre fair grounds. This newly unused section will be necessary for tent locations as a result of Nassau County taking over a couple of acres, the section where the ancient exhibition buildings stood for a new office building.

Mrs. Samuel Eskin Heads Luncheon Committee

Mrs. Samuel Eskin, 132 Virginia ave., is chairman of a luncheon which the Nassau County Woman's Forum is to give in the Boardwalk Cafe at Jones Beach on Friday, May 26, to end its activities for the year.

Mrs. Warner P. Purdy of East Rockaway is general chairman with Mrs. George Walker of Garden City in charge of entertainment. Mrs.

Elementary School Art Work Displayed At Memorial Library

Art work done by children in the elementary grades in Freeport under the direction of Miss Brooxie Baker is being shown in the Juvenile Department of the Freeport Memorial Library which is open every day, except Sunday, from 9 A.M. to 6 P.M.

The greatest number of pictures loaned, are unusual finger painting designs, many of which might be thought to have been done by more experienced persons.

There are other features in the exhibit which show not only the child's imaginative ideas but his talent for meaningful expression. In one showcase, there is an assembly of objects—a bright colored owl, an officious-looking creature, mold—clay then painted and, shel-

The Leader Bookshelf

By MRS. ELIZABETH F. KELLY
Librarian, Freeport Memorial Library

Occasionally one wonders how many more minister's sons or daughters are going to write nostalgic stories of life in the parsonage. Yet, knowing a little something about publishers, each forthcoming book plagues your curiosity and makes you wonder what that publisher found in the manuscript, and why it was printed.

"The Lost Lamp" by Sara Jenkins, a Methodist minister's daughter, is really a relating one of major incident in the life of the Winfrees. George Winfree, popular and athletic in college 5 years ago, is changed again after one year in this church. He is sent to Benton Circuit almost the least attractive and least remunerative of them all. On the way home from conference, just before Christmas, he decides he must be a failure—in the eyes of his church as well as in his own. But what will happen to him when he becomes a failure in the eyes of his wife and his four children? This leads to much soul-searching and one question to a fellow preacher.

"The Lost Lamp" tells the story of this move and the reaction of his wife, and of his different children to this change in their lives. In it, we learn of the answer to Mr. Winfree's question. Truly "out of the mouths of babes" great truth and comfort comes. Each character is well-drawn, especially the children; the family spirit is excellent, and the book well worth for a few hours' time.

The story of "The Outlander" by Germaine Guevremont is placed in a small settlement "Monk's Inlet" on the St. Lawrence River. Here is lived a very simple and unpretentious life. One day a handsome "stranger" appears at the Beauchemin Farm and says he'll stay for his keep as long as they need him. Didace Beauchemin is no longer young, his wife Amable, who really is ill, is not a good worker so the "stranger" takes over much of the work of the farm. When the routine work is cleaned up, he finds other things he can do, surprising this household and the neighbors. Phon-sine, Amable's rather slovenly wife, takes more interest in her own appearance, that of the home, and in the meals, after a few caustic remarks by "the stranger."

Perhaps most affected by this man, who has been places and knows the world, is Angelina Desmaris, a shy, crippled girl on a neighboring farm. Though she knew of the "stranger's" weakness, yet Angelina loaned him money and tried to shield him during his stay there and afterwards. Madame Germaine Guevremont has given us a very human story. Her word pictures of the river and duck hunting are excellent. This book recalls Maria Chapdelaine by Louis Hemon and Mariana by Sally Salmimen.

Forest Jewelers To Sponsor Girls Baseball At Stadium

Freeport is to have a girls' baseball team, locally sponsored, as the Sunday evening attraction at the Municipal Stadium. It is to be known as the Forest Jewelers.

The squad will be managed by Mel Pearsall, the former Ocean-side star pitcher, and coached by Vinnie Iantzi, of Elmont, a crack baseball player. James Brown, former Yankee and Giant relief hurler will coach the opening game and remain with the team as honorary coach in an advisory capacity.

The Murray Girls, also members of the American Girls' Baseball League, will be the attraction on the opening night.

A strong squad has been signed by Mr. Goldblatt for the Forest Jewelers. In the group are Ruth Zimmerman and Ethel Flohn, star pitchers from last season; Micky Watts, catcher; Ethel Kunz, short stop; Yvonne Coker or Ruth Zimmerman, first base; Catherine Packlack or Rose Milleville, second base; Elsie Bartels or Ethel Flohn, third base; with Joan Pepper, Joan Lefson, Dolly Bartels and Marilyn Revision, outfielders. The team has four new comers, Nancy Reynolds, Agnes Schneider, Robin Morris and Barbara Crackerrel.

The girls play modified baseball—pitched overhand. The pitchers box is 52 feet from home plate, bases are 75 feet apart and the rules are the same as for professional baseball with exception of pitching regulations which the league agreed are to be the same as those used in 1949.

The Forest Jewelers will practice on Saturday and Sunday afternoons.

F.H.S. LaCrosse Team To Meet New York M. A.

With a record of three victories in four games, the Freeport High School Lacrosse team will take on the New York Military Academy squad at the Municipal Stadium Saturday afternoon, in a game sponsored by the Fathers' and Boosters' Club of the Freeport Schools.

During the past week the Red Devils defeated the Garden City and Peekskill Military Academy Squads. Coach Bill Ashley attributes their success in their first year of varsity competition to their athletic ability and drive which have off-set their lack of experience and skill.

Coach Ashley expects a large turnout to witness Saturday's contest. Carlisle Boger, Len Dobbins, William McKenna, Harry Drinkwater and Arthur Olsen provided transportation for the members of the team to Peekskill. The Freeporters defeated the cadets, 10 to 6, in a hard-fought contest.

Mrs. Irma Hewlett Will Address P.T.A. Congress

The annual spring conference of the Long Island District, New York State Congress of Parents and Teachers will be held Wednesday in the Lindenhurst High School, Lindenhurst, at 10 A.M.

The theme for the day will be "To Secure Adequate Laws for the Care and Protection of Children and Youth." Mrs. Irma Hewlett of Freeport will speak on "What Parents Need to Understand about Sex Offenders."

A luncheon conference will be conducted to help the following officers and chairmen: presidents, elected officers, health and summer round-up, parent education, preschool. Mrs. C. Meredith Springer, of Garden City, district director, will preside.

To Present 'Red Shoes' At Carnegie Recital Hall

Pupils of the Children's Theatre Project are to present "Red Shoes" in conjunction with a recital by the piano pupils of Philip Heffner, piano instructor, at a program to be given in Carnegie Recital Hall, 164 West 57th st., Manhattan, Sunday, May 27, at 5:30 P.M.

"Red Shoes" is an adaptation of Hans Christian Andersen's fairy tale by Jane Knox Fenyo. The choreography is by Mme. Francelli, and the Music by Mr. Heffner. Ten-year-old Carole Kregg will have the star role. Others in the cast are Toby Ann Hymann, Jean Charavine, Gaius Miller, Nancy Vernon, Judy Miller, Pamela Rockwell and the choral composed of members of the vocal department. Lee Steward will be the guest artist.

BILL ASHLEY'S
CORNER

SPRING SPORTS AT FREEPORT RANK HIGH IN SCHOLASTIC RATINGS. The Freeport Red Devils are setting a fast pace in county sport circles and rank well up in the standings at the half-way mark. Baseball is at the top of the South Shore League and track and lacrosse have both turned in some notable wins.

Cochman Tremper's nine have had spectacular pitching and have the two outstanding hurlers on the Island in Schmidt and Simmons, both of whom have turned in several low hit affairs including a couple of one-hit games.

Jack Plunkett has been shifted from behind the plate to strengthen the infield at short-stop. The team has shown stronger hitting than usual but is still a team that can score on base running and heads-up ball. At this stage of the play offs it looks as if Mopham, Valley Stream and Seawanhaka will be battling for second place in a very tight league race provided Freeport doesn't falter.

In track Berk Sweeney and John Cleary, who run the 880 and mile, have been big point getters for the "cinder" men. A freshman sprinter by the name of Oliver has been right up there and has been making his varsity team mates step. Big Ed O'Malley has been a consistent winner in the shot put, and has passed the fifty foot mark.

As you can see from the lacrosse article on the preceding page, our new sport has made a real place for itself in interschool competition.

Vasil's May Finish Second In Freeport Commercial

With one more series to go, Vasil's Varieties still had a mathematical chance to regain second place in the Freeport Commercial League as a result of defeating the 1950 champions, Peppiatt Bros., 9 to 2, on the Grove Recreation Alleys. The second place Spitzler's, downed A. Siegel & Co., 3 to 2, and the lowly Tyson Radio, reared up and beat C. & R. Cafeteria, 4 to 1.

Red Devils Split Field, Track Meet

Southside Takes Event With Baldwin Third; Freshmen Also Split

The Red Devil children were nipped out by South Side, Rockville Centre, but overwhelmed Baldwin in the third track meet of the season. Although Freeport boasted five firsts, South Side's depth in strength was too great for the locals to overcome.

Co-captains John Cleary and Ed O'Malley continued to win their specialties, accounting for 15 points between them. Cleary, undefeated this season in the mile run, posted a 4:51 time. O'Malley won the shot put with a heave of 51 feet one inch and easily captured the discus event with a throw of 132 feet 9 inches. Joe Burke turned in an impressive win in the 440-yard run in 56 seconds. Jack Werdmann tied for first in the high jump with a leap of 5 feet 6 inches.

In the first outing of the season the freshman track and field team bested Baldwin handily but lost to South Side by scores of 45 for South Side to 42% for Freeport and 16% for Baldwin.

Although capturing only four first places in the eleven-event meet, the little Devils countered heavily in the second and third places. Tom Forbes scored a win in the 120-yard low hurdles while placing second in the broad jump and third in the 100 yard dash. Alex Peppas vaulted 8 feet and placed second in the shot put. Neal Bitson won the high jump at 4 feet 10 inches and also ran on the winning relay team.

This Time The Anti-Trust Lawyers Won A Case Against A&P

As almost everyone now knows, the anti-trust lawyers in Washington have brought a civil suit to destroy A&P.

They ask the courts to order the dissolution of this company.

They say that this suit is based on the fact that they won a suit against us at Danville, Illinois, in 1946.

They did. In that case, Federal Judge Walter C. Lindley made a decision against A&P.

Immediately thereafter, in a letter explaining his decision, Judge Lindley wrote:

***"I have not condemned the A&P system.
I have not made a finding which could
be the basis for a suit of dissolution."***

So, now we have the anti-trust lawyers saying that their suit to dissolve A&P is based on Judge Lindley's decision; while Judge Lindley himself says his decision could not be the basis for a suit of dissolution.

In previous ads we told you about the cases against A&P which the anti-trust lawyers lost. We promised to tell you about this case they won.

On the next page is the story of the Danville case.

What Judge Lindley Objected To

At Danville, the anti-trust lawyers made all of the charges which they are again making against A&P today. They were substantially the same charges they had made and dropped at Dallas, Texas, after four federal judges had objected to some of them as "inflammatory."

In his decision Judge Lindley was critical of some of our activities. He threw some of the charges out of court. He did not make any decision on others.

He even took occasion to praise A&P for the efficient job of food distribution it had done.

Judge Lindley said:

"To buy, sell and distribute to a substantial portion of 130,000,000 people, one and three-quarter billion dollars worth of food annually at a profit of 1½ cents on each dollar, is an achievement one may well be proud of."

"No place in the world I take it are people so well fed as in the United States. Nowhere else, I suppose, do food distributors accomplish efficient distribution at so low a margin of profit. In contrast, we are told in other nations the problem is not one of an adequate diet but one of no diet at all."

But Judge Lindley did find us in violation of the Sherman Act. He based his ruling on the dual role played by our fresh fruit and vegetable buying subsidiary, the Atlantic Commission Company, whereby that organization acted both as buying agent for A&P and as selling agent for growers.

Judge Lindley said:

"If I assume for the purpose of disposition of this case that in general the policy of A&P was to operate within the law and attribute to defendants a desire to comply with the law, there still remains the conscious, knowing adoption by all defendants of a plan of action by the Atlantic Commission Company affecting every department of A&P and every retail store which cannot be squared with the intent and purpose of the act."

In his letter explaining the decision, Judge Lindley wrote: "I have condemned their practices through the Atlantic Commission Company."

Judge Lindley imposed fines totaling \$175,000. When his decision was upheld by the Circuit Court of Appeals in Chicago, we paid the fines. This ended the case — but we did not stop there.

Why, Then, Do They Want To Put A&P Out of Business?

Ever since this suit was filed, the anti-trust lawyers have been making damaging statements that could seriously hurt our business if they were believed by the public.

They say that we were found guilty at Danville of all the charges they are making today.

This is not true. Judge Lindley did not sustain all of the charges of the anti-trust lawyers.

They say this suit is designed to enforce the law.

But A&P has clearly demonstrated its sincere desire to abide by the spirit, as well as the letter of the law.

What, then, is the real reason why the anti-trust lawyers want to destroy this company, which for 90 years has pioneered the methods of distribution which have given the American people more good food for their money?

What We Did To Correct This

In the light of the decision, we immediately set about reviewing our activities to be sure that there could never again be any criticism of our operations.

First, the Atlantic Commission Company abandoned the dual role to which Judge Lindley objected and which he said was the basis of his decision against us.

We did this even though the Atlantic Commission Company had been licensed for many years by the United States Department of Agriculture to act as both a buyer and seller of fresh fruits and vegetables.

The Atlantic Commission Company now only buys for A&P. In other words, we stopped doing the thing which Judge Lindley said put us in violation of the Sherman Act.

We made additional changes in other methods of operation which Judge Lindley had questioned at Danville, even though he did not base his decision on them.

We did even more than this!

We went down to Washington and asked the anti-trust lawyers what else they thought we should do to conform to their new interpretation of the vague anti-trust laws.

The only answer we ever got was that we should break up this company!

Despite their claim that they were not opposed to A&P's size, they insisted that we destroy this size.

Despite their claim that they were not opposed to our manufacturing operations, they insisted that we get rid of our factories which produce many of the fine foods you buy at A&P.

Despite their claim that they were not opposed to our low prices, they insisted that we destroy many of the efficiencies that make these low prices possible.

In other words, they insisted upon the dissolution of A&P.

We were still trying to find out from the anti-trust lawyers what else they thought we should do to conform to the law when they filed the current suit to destroy A&P.

They say they are seeking to "enjoin" A&P from engaging in certain "alleged" practices.

Actually, the whole purpose of this suit is not to "enjoin" us, but to put us out of business.

They say that this suit for dissolution is based on the decision handed down by Judge Lindley in Danville.

But Judge Lindley has said of his decision: "I have not made a finding which could be the basis for a suit of dissolution."
